

Dear Parents and Guardians,

We have new social media accounts for Cubs' Den, LLC, including a new website, blog, Facebook page, and Instagram! Soon, the new "Kid Reports" app will launch where you, the parent or guardian, will be able to access your child's records, daily updates for your child and general announcements.

These new social media pages and Kid Reports are intended to keep you and the community informed about the latest updates and activities at our center. We will post ideas, photos, videos, and samples from our classrooms. We will never label pictures of the students using their names and we will only post pictures with the permission of the parents. Parents are welcome to tag themselves in any picture we post and if given permission, we will tag you!

Additionally, we are fortunate to have Heather Rust, a professional photographer and the owner of Tiny Hearts Imagery, LLC, as one of our new owners of Cubs' Den, LLC! She has been a professional photographer in the Waco area for over 9 years. Her studio is located at 2012 N Valley Mills Drive, Waco, Texas 76710.

Heather would love to professionally photograph your children when she is able. These images would be posted for Cubs' Den, LLC and Tiny Hearts Imagery, LLC's professional use, but any of those images can be purchased from Tiny Hearts Imagery, LLC for your own personal use!

Using this form, please let us know whether you will allow Cubs' Den, LLC and/or Tiny Hearts Imagery, LLC to post your child(s) work and photos on social media.
